Newsletter 2018 - Week 7 Term 2

Principal's Comments

Dear Parents and Caregivers,

Today you will have received the notice about the Zoo trip also. Just a reminder that there is no cost for this trip. We only need permission.

It is a busy time coming up toward the end of term, with trips for both the Senior and Middle school as well as a Matariki event for the whole school. Details of the different trips have or will be coming home separately.

Signmee - if you are still getting paper notices and would like to be on Signmee, please let us know, we are happy to help you get this working. Our goal is to get 90% of families onto Signmee!

You will have received a notice a few weeks back about our change to being a Water School. Thank you for your support with this. We are so proud of Madison for setting this in motion and it was lovely to hear from other parents letting us know that their child was also going to be bringing the idea forward. I recently contacted our dental service and asked them to send me through our statistics from 2017. Of our school population last year 51% needed additional treatment, meaning more than just a check up. Hopefully, our water policy will help to change that statistic also.

MATARIKI BREAKFAST:

Over the last few years we have done both a lunch and dinner for Matariki so we thought we would do something in the morning this year. On Friday 29th June we will have an event starting at 7:00 in the hall.

timeline:

7:00 - Arrive at hall blessing and Matariki activity

7:30 - Breakfast

9:00 - Matariki Activities

1:30 - School finishes

We welcome all families to the breakfast and to join us for the Matariki Activities. If you are unable to join us but would like your child to come, they will need to be signed in (by an adult) at the hall.
