Notice from the Board of Trustees

Dear John

For

John Steere

The NZEI has advised the Dyer Street School Board of Trustees that the Principal and teachers at our school will be taking strike action for the whole day on Wednesday 15 August 2018. The Board met as soon as we received the notice of intention to strike. We considered all options on opening or closing the school. Including the rights and obligations of union staff, alternative care arrangements for our students.

The Board has carefully considered the availability of teaching staff, and unfortunately decided that we can't provide the normal teaching services during the strike. It's important that you make alternative arrangements for the care of your child/children on the day of the strike. At this stage the school will be closed during for the day on Wednesday 15th August. We will keep you updated with any further information.

We have been advised by Wendy, at After School care that she will run a day programme for parents looking for alternative arrangements. Please contact Wendy directly on 939 2970 to secure a place for your child.

As a parent, I empathise with you for the inconvenience of the strike action. It is an inevitable consequence of union negotiations. Thank you for your understanding. Please contact Paula Weston if you have any queries relating to this decision.

Yours sincerely,

Angela Bingham Chair Board of Trustees
