Principal's Comments

Dear Parents and Caregivers,

It has definitely felt like we have been immersed in the arts this term. From our inspiration day at the beginning of the term to our wonderful dance lessons, to the Kapa Haka performance during to Wiki o te Reo Maori. Last week we had both the Artsplash choir and Dancesplash groups perform at the Michael Fowler Centre. At the end of the week, we took a group of students to watch the Annie Production at the Little Theatre.

When you add all of that to the swimming (years 3-6) and the scooter and bike safety sessions, we have packed in some awesome learning opportunities in different areas. Term 3 is also the term that our maths focus on fractions in many classes and that is an area of maths where children often make a lot of progress.

Term four is also shaping up to be a busy term, where our juniors will have their swimming lessons starting in week 1. Our major focus for term 4 is health and the different syndicates will have a range of topics that they will cover, from sun safety to hygiene. Part of the health focus will include sessions in the Life Education Truck (Harold) and a first aid session with St Johns, which is sponsored by ASB. The Health curriculum is a great term 4 option, because it can be broken down into small topics of a couple of weeks at a time and with our proximity to the outdoors, it is great to look at some of these aspects before we head off for the summer break.

On behalf of all of the staff, I thank you for your ongoing support of our school and of your wonderful children in our school. Wishing everyone a wonderful term break.

Nga mihi nui
